# WALLPAPER COLLECTION

Wallpaper Collection è una collezione di carte da parati di alta qualità e di grande impatto scenografico, disegnate da Francesca Greco, Marcel Wanders, Vito Nesta e dall'Ufficio Stile di Devon&Devon.

100% made in Italy, sono prive di nickel, inassorbenti, inodori, lavabili, ignifughe, facili da incollare e da rimuovere e non si deformano durante l'applicazione.

Tutti i motivi sono disponibili sia su supporto vinilico che in fibra di vetro e sono stampati con inchiostri a base di acqua dall'elevata stabilità cromatica, resistenti ai raggi UV.

# PIANO DI POSA

## HANGING INSTRUCTIONS

Per assicurare un'applicazione perfetta, Devon&Devon mette a disposizione un servizio gratuito di definizione del piano di posa su misura. Per riceverlo, è necessario fornire al team di progettazione un rilievo accurato delle dimensioni delle pareti e indicare chiaramente l'eventuale presenza di porte, finestre o nicchie. In caso di applicazione su più pareti consecutive, si raccomanda di fornire anche una planimetria.

*To ensure perfect application, Devon&Devon provides a free service with made-to-measure hanging instructions. To receive yours, you need to send our design team accurate measurements of your walls, clearly indicating any doors, windows or niches. Should you be papering consecutive walls, please also provide a floor plan.*

Per facilitare la comprensione delle indicazioni di posa, i singoli moduli vengono forniti numerati. Le carte da parati Devon&Devon vengono tagliate utilizzando sistemi avanzati di taglio che assicurano la perfetta combaciabilità durante la posa. L'abbondanza su ciascun rotolo di carta da parati è indispensabile per compensare eventuali fuori squadra.

*To make the hanging instructions easier, the individual modules will be supplied numbered. Devon&Devon wallpaper is cut using advanced systems that ensure perfect matching during hanging. The extra cm on each roll is indispensable for compensating for any out of square measurements.*

Su richiesta, è possibile realizzare rotoli di misure customizzate oppure ingrandire (fino a + 10%) o ridurre la dimensione dei motivi grafici.

*Rolls with customised measurements can be supplied on request, as can enlarged (up to 10%) or reduced sized patterns.*

Piccole differenze di colore dovute alle condizioni igrometriche dei luoghi di stampa o alla lieve differenza di pigmentazione dei supporti neutri appartenenti a diversi lotti di produzione sono da considerarsi inevitabili.

*Small differences in colour due to the humidity in the printing rooms or the slight difference of dyes on neutral backings from different production batches should be considered inevitable.*

Devon&Devon raccomanda di far eseguire la posa esclusivamente a personale qualificato e specializzato.

*Devon&Devon recommend having wallpaper hung by qualified specialists.*

Collante non incluso nella fornitura. Per le carte su base vinilica si consiglia di utilizzare il collante OVALIT - METYLAN o simile. Per le carte in fibra di vetro si consiglia di utilizzare il collante ULTRABOND ECO DECOR WET - MAPEI o simile ed il protettivo MAPECOAT DECOR PROTECTION - MAPEI o simile.

*Glue not included. For vinyl wallpapers, we recommend using OVALIT-METYLAN or similar glue. For fibreglass wallpapers, we recommend using ULTRABOND ECO DECOR WET - MAPEI or similar glue and MAPECOAT DECOR PROTECTION - MAPEI or similar protective matt finish*
