ETÓ
forme ceramiche

ABOUT US

Nel cuore della provincia Abruzzese nasce il marchio Etó sintesi di competenze artigianali miscelate ad una forte ricerca industriale e tecnologica.

Il brand prende vita da una costola dell'azienda madre Matrix nota modellera ceramica e riferimento delle piú importanti aziende internazionali del settore.

Etó realizza prodotti che coniugano qualità, tecnica e valore all'interno di una narrazione contemporanea.

Colori, forme e materie costituiscono un alfabeto di collezioni uniche e senza tempo che dialogano all'interno delle varie tendenze del design.

In the heart of the Abruzzo region, the Etó brand was born—a synthesis of artisanal expertise blended with advanced industrial and technological research.

The brand originates from Matrix, its parent company, a renowned ceramic model-making firm and a benchmark for leading international companies in the sector.

Etó creates products that combine quality, technical skill, and value within a contemporary narrative.

Colors, shapes, and materials form an alphabet of unique and timeless collections that interact seamlessly with various design trends.

Tagli decisi nel profilo e nel volume creano un lavabo contemporaneo. Il piano d'appoggio generoso ne definisce il carattere pratico e funzionale.

ENG

Sharp cuts in both the profile and the volume create a contemporary washbasin. The generous support surface defines its practical and functional nature.
